INFORMATION ABOUT TCM-COLLATERALISATION

Triparty Collateral Management Products ("**TCM Products**") are structured products with a reduced issuer risk. This protection is provided by means of a collateral pledge. Investors thus profit from increased protection on the invested capital.

The Collateral Provider has entered into a security agreement (as amended or replaced from time to time, the "**TCM Security Agreement**") and TCM Products are collateralised in accordance with the terms of the TCM Security Agreement. The Collateral Provider will provide collateral to secure the value of TCM Products, whereby such collateral can consist among others of the securities that are the direct or indirect underlyings of TCM Products.

The legal position of the Investors and of all involved parties in relation to the collateralisation of TCM Products is determined by the provisions of the TCM Security Agreement. The Issuer shall, upon request, provide the TCM Security Agreement to the Investors free of charge. A copy of the TCM Security Agreement may be obtained from the Lead Manager at Europaallee 39, 8004 Zurich (Switzerland), or via telephone (+41 58 800 1111*), fax (+41-(0)58-8001010) or email (termsheet@leonteq.com). More detailed information regarding TCM collateralisation can also be found in the Programme.

The payment to the Investors in case of a so-called Realisation Event may be delayed for factual or legal reasons.

To the extent the calculation of the current value of a TCM Product, as published daily by the Collateral Provider on SIX Financial Information, proves to be incorrect, the collateralisation of the TCM Product may be insufficient.

This TCM Product does not constitute a collective investment scheme pursuant to the Federal Act on Collective Investment Schemes (CISA) and does not require authorisation or supervision by the Swiss Financial Market Supervisory Authority FINMA.
