Investors should read the section "Significant Risks" below as well as the section "Risk Factors" of the relevant Issuance and Offering Programme, as amended from time to time. By investing in this product (the "Product"), the Investor may put the capital that he invested in this Product at risk and, in addition, transaction costs may incur. Investors may lose some or all of their capital invested in the Product as well as the transaction costs. Investors are exposed to the credit risk of the Issuer. Even though translations into other languages might be available, only the English version of the Final Terms or Pricing Supplement and the relevant Issuance and Offering Programme are legally binding.

For Switzerland:

This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to articles 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes ("CISA") and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority ("FINMA"). Investors do not benefit from the specific investor protection provided under the CISA. This document constitutes advertising within the meaning of article 68 of the Swiss Federal Act on Financial Services ("FinSA"). This document is a termsheet prepared in view of the issuance of the Products and neither a prospectus within the meaning of articles 35 et seqq. of the FinSA, nor a private placement documentation, nor a key information document according to articles 58 et seqq. of the FinSA or any equivalent document under the FinSA. The information contained in this document is not complete and is subject to completion and amendment. This document has neither been reviewed nor approved by a reviewing body pursuant to articles 51 et seqq. FinSA. This document does not, and is not intended to, constitute or contain an offer or invitation to sell, and it is not soliciting offers to buy, the Product in any jurisdiction where such offer or sale is not permitted.

Product Description

This Product offers the Investor a Coupon Rate regardless of the performance of the Underlyings during the lifetime. If no Barrier Event has occurred, the Investor will receive on the Redemption Date a Cash Settlement equal to the Denomination. If a Barrier Event has occurred, but all Underlyings close above the Strike Level on the Final Fixing Date, the Investor will still receive the Denomination on the Redemption Date. Otherwise the redemption of the Product will depend on the value of the Underlying with the Worst Performance, as described in section "Redemption".

In addition, the Product can be early redeemed if the relevant conditions are met on any of the Autocall Observation Dates.

Initial Fixing Level	An observed price of the respective Underlying on the Initial Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Final Fixing Level	Official close of the respective Underlying on the Final Fixing Date on the Related Exchange, as determined by the Calculation Agent.
Worst Performance	For each Underlying the performance is calculated by dividing its Final Fixing Level by the respective Initial Fixing Level. The Worst Performance corresponds to the lowest of all so calculated values, as determined by the Calculation Agent.
Barrier Event	A Barrier Event shall be deemed to occur if at any time on any Exchange Business Day during the Barrier Observation Period the level of at least one of the Underlyings' prices has been traded at or below the respective Barrier Level, as reasonably determined by the Calculation Agent.
Early Redemption	Provided that on one of the pre-defined Autocall Observation Dates the official close of all Underlyings is above their Autocall Trigger Level, an Early Redemption will occur and the Product will expire immediately. The Investor will receive on the relevant Early Redemption Date a Cash Settlement which equals the Denomination, plus the Coupon Amount for the respective Coupon Payment Date. No further payments will be made.

GUARANTEE

This Product is secured under the Guarantee Agreement between the Issuer and the Guarantor which is governed by Swiss law. The Guarantor guarantees for the payment of the redemption amount or any other cash settlement amount, or, as the case may be, to deliver the Underlying, in cases of the Issuer's failure to deliver the Underlying or make payment of the redemption amount or any other cash settlement amount for the benefit of the Investor in respect of any Product that is issued by the Issuer and for which the Guarantor guarantees.

The Guarantee Agreement applicable to this Product is included in the Programme of the relevant Issuer valid as per the Initial Fixing Date and a signed copy may be ordered free of charge from the Lead Manager

SIGNIFICANT RISKS

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product as well as the transaction costs. Prospective Investors shall consider the following important risk factors and read the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for their portfolio taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Product Specific Risks: Unless this Product is capital protected, investors may lose some or all of their investment as well as the transaction costs as they are fully exposed to the performance of the Underlyings. The Product does not confer any claim to receive rights and/or payments of the Underlying, such as dividend payments, unless explicitly stated in the documentation governing the Product. Please refer to the Product Documentation as regards the further Product specific risk factors to be taken into account.

Issuer Risk: Investors are exposed to the credit risk of the Issuer. If the Issuer is not able to make a payment or becomes insolvent, investors could lose some or all of their investment.

Market Risk: Market risk may have a negative impact on the value of and the return on an investment in the Product. Market risk is the risk associated with the effect of changes in market factors such as interest and foreign exchange rates, equity and commodity prices, credit spreads or implied volatilities, on the value of assets and liabilities held for both the short and long term. Market risk may also lead to an early redemption of the Product (e.g. in the event of a hedging disruption).

Liquidity Risk: The Issuer or, as the case may be, the guarantor or a third party appointed by the Issuer or guarantor, if any, intends to act as market maker in relation to the Product and it will use commercially reasonable efforts to provide indicative bid and offer prices for the Product on a regular basis under normal market conditions. However, such market maker does not have an obligation to provide prices for the Product. Liquidity of the Product in the secondary market may be limited and an active trading market for the Product may not develop. Accordingly, investors may not be able to sell their Product.

Currency Risk: If the investor's reference currency is different from the currency, in which the Product is denominated, the investor bears the currency risk between the two currencies. The fluctuations in exchange rates could have an adverse effect on the value of or return on an investment in the Product, even if the redemption amount would otherwise provide for a positive return. If the Underlyings are calculated in a currency different from the Currency of the Product, the conversion into the Currency of the Product will be carried out at the relevant exchange rate.

Early Termination and Reinvestment Risk: The Product may be redeemed prior to its maturity (be it by declaration of the issuer or as a result of certain events specified in the terms of the Product) and investors must consider that in case of such an early redemption, investors will not receive any further coupon payments after the occurrence of the early redemption and the early redemption amount may be significantly below the issue / purchase price paid and the redemption amount payable at maturity. Investors may not be able to reinvest the early redemption amount in a financial instrument with the same profit potential and additional transaction costs may be incurred as a consequence of a reinvestment of the early redemption amount.

Illiquidity of Underlying: One or, if applicable, more of the Underlyings might be or become illiquid over the lifetime of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.

Conflict of Interests

The Issuing Parties and/or the Lead Manager and/or any third party appointed by them, as the case may be, may from time to time, as principal or agent, have positions in, or may buy or sell, or make a market as well as be active on both sides of the market at the same time in any securities, currencies, financial instruments or other assets underlying the products to which this document relates. The Issuer's and/or Lead Manager's and/or the appointed third party's trading and/or hedging activities related to this transaction may have an impact on the price of the Underlying and may affect the likelihood that any relevant Barrier Level, if any, is reached.

Remunerations to Third Parties

Depending on the circumstances the Issuer and/or Lead Manager may sell this Product to financial institutions or intermediaries at a discount to the Issue Price or reimburse a certain amount to such financial institutions or intermediaries (reference is made to section "General Information" herein).

In addition, for certain services rendered by distribution partners and to increase quality and services relating to the Products, the Issuer and/or Lead Manager may from time to time pay recurring fees to such third parties.

Further information is available on request.

Payment of a Coupon

If the Product stipulates the Payment of a Coupon, the Investor is only entitled to receive the respective coupon payment, if he has purchased/not sold the Product at the latest on the Business Day preceding the respective Coupon Ex-Date for the then prevailing price.

No Offer

This Termsheet is primarily provided for information purposes and does not constitute a recommendation, an offer or a solicitation of an offer to buy financial products.

No Representation

The Issuer, the Lead Manager and any third party appointed by them make no representation or warranty relating to any information herein which is derived from independent sources.

ESG

The Product is not classified as sustainable. No representation as to the sustainability – within the meaning of Regulation (EU) 2020/852 (Taxonomy Regulation) and Regulation (EU) 2019/2088 (Sustainable Finance Disclosure Regulation) or any other sustainability-related law or regulation – of the Product or any Underlying is provided. Any reference to sustainability-related terms in relation to the Product or any Underlying shall not imply the provision of any such representation by the Issuer, the Lead Manager or the Guarantor, as applicable. It is furthermore specified that the Product is not aimed at clients with specific needs regarding sustainability preferences pursuant to Art. 2 No. 7 of the MiFID II Delegated Regulation (EU) 2017/565.

SELLING RESTRICTIONS
