Investors should read the section "Significant Risks" below as well as the section "Risk Factors" of the relevant Issuance and Offering Programme, as amended from time to time. By investing in this product (the "Product"), the Investor may put the capital that he invested in this Product at risk and, in addition, transaction costs may incur. Investors may lose some or all of their capital invested in the Product as well as the transaction costs. Investors are exposed to the credit risk of the Issuer.

Even though translations into other languages might be available, only the English version of the Final Terms or Pricing Supplement and the relevant Issuance and Offering Programme are legally binding.

For Switzerland:

This Product is a derivative instrument according to Swiss law. It does not qualify as unit of a collective investment scheme pursuant to articles 7 et seqq. of the Swiss Federal Act on Collective Investment Schemes ("CISA") and is therefore neither registered nor supervised by the Swiss Financial Market Supervisory Authority ("FINMA"). Investors do not benefit from the specific investor protection provided under the CISA. This document constitutes advertising within the meaning of article 68 of the Swiss Federal Act on Financial Services ("FinSA"). This document is a termsheet prepared in view of the issuance of the Products and neither a prospectus within the meaning of articles 35 et seqq. of the FinSA, nor a private placement documentation, nor a key information document according to articles 58 et seqq. of the FinSA or any equivalent document under the FinSA. The information contained in this document is not complete and is subject to completion and amendment. This document has neither been reviewed nor approved by a reviewing body pursuant to articles 51 et seqq. FinSA. This document does not, and is not intended to, constitute or contain an offer or invitation to sell, and it is not soliciting offers to buy, the Product in any jurisdiction where such offer or sale is not permitted.

Product Description

This Product replicates the price movements of, and provides a direct exposure to, the Underlying (adjusted by the AF_t , Conversion Ratio_t, and FX Rate_t as further outlined herein) and is therefore in terms of risks comparable to a direct investment in the Underlying. On the Redemption Date the Investor will receive a Cash Settlement as further described under "Redemption".

First Exchange Trading Date	27/03/2026 (anticipated)
Last Trading Day/Time	Open-end
Final Fixing Date	Open-end or, in case of an exercise of the Issuer's Termination Right, as specified in the Issuer's Termination Announcement, or, in case of an exercise of the Investor's Termination Right, the date on which the exercise of such Investor's Termination Right becomes effective (as indicated in the section "Investor's Termination Right" and subject to Market Disruption Event provisions).
Redemption Date	Means the 5th Business Day following the Final Fixing Date (subject to Settlement Disruption Event provisions)

REDEMPTION

The Investor is entitled to receive from the Issuer on the Redemption Date per each Product a Cash Settlement in the Settlement Currency equal to the **Value_t** on the Final Fixing Date and calculated as follows:

$$\text{Value}_t = \text{Conversion Ratio}_t \times \text{Fixing Level}_t \times \text{FX Rate}_t$$

* levels are expressed in percentage of the Initial Fixing Level

Initial Fixing Level	Official close of the Underlying on the Initial Fixing Date as calculated and published by the Index Sponsor and as determined by the Calculation Agent.
Final Fixing Level	Official close of the Underlying on the Final Fixing Date as calculated and published by the Index Sponsor and as determined by the Calculation Agent.
Fixing Level_t	The official closing price of the Underlying on calendar day t (or if such official closing price is not available the last available official closing price of the Underlying) as calculated and published by the Index Sponsor and/or the Index Calculation Agent and as determined by the Calculation Agent.
Conversion Ratio_t	The Conversion Ratio on calendar day t and determined by the Calculation Agent as follows: $\text{Conversion Ratio}_t = \text{Conversion Ratio}_{t-1} - \text{AF}_t / (\text{Fixing Level}_t \times \text{FX Rate}_t)$
Administration Fee (AF_t)	The Administration Fees on calendar day t and determined by the Calculation Agent as follows: $\text{AF}_t = \text{Value}_{t-1} \times \text{AF} \times \text{Day Count}_t$
Day Count_t	The actual number of calendar days between (and including) calendar day t-1 to (and excluding) the current calendar day t divided by 360.
FX Rate_t	Prevailing foreign exchange rate on calendar day t used for exchanging the Underlying's currency into the Settlement Currency, as reasonably determined by the Calculation Agent. For an Underlying quoted in the Settlement Currency this value will be equal to 1.
Issuer's Termination Right	The Issuer has the unconditional right to call all Certificates with immediate effect, with a five Business Days period of notice prior to the Final Fixing Date (the " Termination Right ") by announcement (the " Termination Announcement ") on the Lead Manager's website, all in accordance with the General Terms and Conditions of the Programme. The Termination Announcement will specify the Last Trading Day and Final Fixing Date. In case of an exercise of the Issuer's Termination Right, the Issuer will pay to the Investor a Cash Settlement in the Settlement Currency that shall be the Fair Market Value of the Product.
Investor's Termination Right	Each Investor has an annual right, on 20/03 and for the first time on 20/03/2027, to call the Certificates for redemption (such day the Investor's Termination Right becomes effective being the Final Fixing Date, as defined herein) by delivering a duly completed and signed Redemption Notice to the Paying Agent in accordance with the General Terms and Conditions of the Programme (the Redemption Notice to be received by the Paying Agent no later than 12:00 am CET on the 15th Business Day preceding the respective Final Fixing Date). Thereafter, the Certificates will be redeemed on the Redemption Date for a value equal to the Value _t on the Final Fixing Date as determined by the Calculation Agent.

TAXATION SWITZERLAND

Swiss Federal Stamp Duty	Secondary market transactions are not subject to Swiss stamp duty.
Swiss Federal Income Tax (for private investors with tax domicile in Switzerland)	Any reinvested dividend and interest income from the Underlying are subject to income tax. The taxable income (if any) earned by the Product is annually reported to the Swiss Federal Tax Administration. For private Investors with tax domicile in Switzerland holding the Product as part of their private property, the reported income (if any) is subject to the Federal Direct Tax. In the absence of tax reporting, taxable income is determined based on a fair market return, taking into account the asset classes of the Underlying. Any dividend payments are subject to the Federal Direct Tax on the respective payment date. The tax treatment regarding the cantonal and communal income taxes can differ from the tax treatment regarding the Federal Direct Tax. But in general the income tax treatments are corresponding.
Swiss Withholding Tax	The Product is not subject to Swiss withholding tax.

The tax information provided herein is a non-binding summary and only provides a general overview of the potential Swiss tax consequences linked to this Product at the time of issue. Tax laws and tax interpretation may change at any time, possibly with retroactive effect.

Investors and prospective Investors are advised to consult with their tax advisers with respect to the Swiss tax consequences of the purchase, ownership, disposition, lapse or exercise or redemption of a Product in light of their particular circumstances. The Issuing Parties and the Lead Manager hereby expressly exclude any liability in respect of any possible tax implications.

PRODUCT DOCUMENTATION

It is intended that the Products will be issued under a base prospectus as per article 45 FinSA, which has been approved by SIX Exchange Regulation AG ("**SIX Exchange Regulation**") in its capacity as Swiss Prospectus Office. Only the relevant final terms (the "**Final Terms**"), which will be available no later than on the Issue Date, together with the base prospectus of the relevant Issuance and Offering Programme (the "**Programme**") dated 17 June 2025, as supplemented from time to time (the "**Base Prospectus**") shall form the entire and legally binding documentation for the Products (the "**Product Documentation**", and the Final Terms, together with the applicable terms and conditions for the relevant Product, "**Conditions**"). The Final Terms will be registered with SIX Exchange Regulation in its capacity as Swiss Prospectus Office. The Final Terms should always be read together with the Base Prospectus. Definitions used in this Termsheet, but not defined herein, shall have the meaning given to them in the Final Terms and the Base Prospectus. Even though a translation into other languages might be available, only the English version of the Final Terms jointly with the Base Prospectus are legally binding.

Notices to Investors in connection with the Products shall be validly given in accordance with the Conditions. Notices to investors relating to the Issuer or the Guarantor (if any) will be published on www.leonteq.com and/or on the web page of the Guarantor (if any), respectively.

To the extent required under the applicable regulations, a key information document in accordance with Regulation (EU) No 1286/2014 (the "**PRIIPs KID**") or a key information document in accordance with FinSA (the "**FinSA KID**") has been prepared in relation to the Products. The PRIIPs KID can be obtained in electronic form on www.priipkidportal.com or upon request and free of charge from the Lead Manager. The FinSA KID can be obtained upon request and free of charge from the Lead Manager. Other regulatory documents, including the target market assessment, are also available, or can be requested, from the same source.

During the whole term of the Products, the Product Documentation can be ordered free of charge from the Lead Manager Leonteq Securities AG, Europaallee 39, CH-8004 Zurich (Switzerland), by phone (+41 58 800 1111)*, fax (+41 (0)58 800 10 10) or by e-mail (termsheet@leonteq.com). Please note that all calls made to numbers marked with an asterisk (*) are recorded. By calling such number, your consent to the recording is deemed given.

SIGNIFICANT RISKS

Prospective Investors should ensure that they fully understand the nature of this Product and the extent of their exposure to risks and they should consider the suitability of this Product as an investment in the light of their own circumstances and financial condition. Products involve a high degree of risk, including the potential risk of expiring worthless. Potential Investors should be prepared in certain circumstances to sustain a total loss of the capital invested to purchase this Product as well as the transaction costs. Prospective Investors shall consider the following important risk factors and read the section "Risk Factors" of the Programme for details on all other risk factors to be considered.

This is a structured product involving derivative components. Investors should make sure that their advisors have verified that this Product is suitable for their portfolio taking into account the investor's financial situation, investment experience and investment objectives.

The terms and conditions of the Product may be subject to adjustments during the lifetime of the Product as set out in the Programme.

Product Specific Risks: Unless this Product provides for full repayment of capital, investors may lose some or all of their investment as well as the transaction costs as they are fully exposed to the performance of the Underlyings. The Product does not confer any claim to receive rights and/or payments of the Underlying, such as dividend payments, unless explicitly stated in the documentation governing the Product. Please refer to the Product Documentation as regards the further Product specific risk factors to be taken into account.

Issuer Risk: Investors are exposed to the credit risk of the Issuer. If the Issuer is not able to make a payment or becomes insolvent, investors could lose some or all of their investment.

Market Risk: Market risk may have a negative impact on the value of and the return on an investment in the Product. Market risk is the risk associated with the effect of changes in market factors such as interest and foreign exchange rates, equity and commodity prices, credit spreads or implied volatilities, on the value of assets and liabilities held for both the short and long term. Market risk may also lead to an early redemption of the Product (e.g. in the event of a hedging disruption).

Liquidity Risk: The Issuer or, as the case may be, the guarantor or a third party appointed by the Issuer or guarantor, if any, intends to act as market maker in relation to the Product and it will use commercially reasonable efforts to provide indicative bid and offer prices for the Product on a regular basis under normal market conditions. However, such market maker does not have an obligation to provide prices for the Product. Liquidity of the Product in the secondary market may be limited and an active trading market for the Product may not develop. Accordingly, investors may not be able to sell their Product.

Currency Risk: If the investor's reference currency is different from the currency, in which the Product is denominated, the investor bears the currency risk between the two currencies. The fluctuations in exchange rates could have an adverse effect on the value of or return on an investment in the Product, even if the redemption amount would otherwise provide for a positive return. If the Underlyings are calculated in a currency different from the Currency of the Product, the conversion into the Currency of the Product will be carried out at the relevant exchange rate.

Early Termination and Reinvestment Risk: The Product may be redeemed prior to its maturity (be it by declaration of the issuer or as a result of certain events specified in the terms of the Product) and investors must consider that in case of such an early redemption, investors will not receive any further coupon payments after the occurrence of the early redemption and the early redemption amount may be significantly below the issue / purchase price paid and the redemption amount payable at maturity. Investors may not be able to reinvest the early redemption amount in a financial instrument with the same profit potential and additional transaction costs may be incurred as a consequence of a reinvestment of the early redemption amount.

Illiquidity of Underlying: One or, if applicable, more of the Underlyings might be or become illiquid over the lifetime of the Product. Illiquidity of an Underlying might lead to larger bid/offer spreads of the Product and/or to an extended time period for buying and/or selling the Underlying respective to acquire, unwind or dispose of the hedging transaction(s) or asset(s) or to realise, recover or remit the proceeds of such hedging transaction(s) or asset(s) which might implicate a postponed redemption or delivery and/or a modified redemption amount, as reasonably determined by the Calculation Agent.
